

# Sponsorship & Exhibition Prospectus

Apr 11–13, 2025 // Dallas, Texas, United States

The 18th IEEE Dallas Circuits and Systems (DCAS) conference will be held from April 11 - April 13, 2025. The conference will be held at University of Texas at Arlington (UTA). This conference is co-sponsored by the IEEE Circuits and Systems (CAS) Society, the IEEE Solid-State Circuits Society, the IEEE Electron Devices Society, UT Dallas, UNT and UTA will feature a comprehensive program of technical papers, poster sessions, keynote speakers and workshops. The IEEE DCAS 2025 conference contributions will focus on the following eight tracks.

- *VLSI Design & Hardware security*
- *Sensors & Embedded systems,*
- *Emerging Device and Circuit Technologies,*
- *Circuits and Systems for Machine Learning,*
- *Analog and mixed-signal circuits and systems*
- *RF circuits and systems*
- *Power systems, power electronics and power management integrated circuits*
- *Biomedical circuits and systems*

The organizing committee of IEEE DCAS 2025 has designed a range of sponsorship packages, each offering exceptional value and Return on Investment for your business. These packages are categorized as Silver, Gold, Platinum, and Diamond. To learn more about these opportunities, please reach out to Awards and Proposals Chair:
